MOIA AGENCIES PARTICIPATE IN LEGISLATIVE REFRESHER TRAINING

Independence Park,
Port Vila, Efate

On March 19, 2025, the Ministry of Internal Affairs (MoIA), in collaboration with the Office of the Attorney General, successfully conducted a Legislative Refresher Training for all MoIA agencies. The training aimed to strengthen participants' knowledge and skills in developing a COM paper, writing a Policy Paper, and drafting instructions related to legislation in alignment with each agency's responsibilities.

Facilitated by legal experts from the Office of the Attorney General, the session provided valuable insights into the legislative process, ensuring that MoIA agencies are well-equipped to contribute effectively to policy development and governance.

The refresher training emphasized the importance of structured legislative drafting and policy formulation, equipping participants with practical guidance on key processes and steps in preparing legislative documents.

The Ministry of Internal Affairs extends its gratitude to all attendees and facilitators for their active participation and commitment to enhancing governance through effective legislative processes.

Thank you for trusting MOIA with your participation. We're committed to providing you with the update information

11 Quad Bike to Support the Work of Area Administrators in 11 Area Councils

Independence Park,
Port Vila, Efate

The Department of Local Authorities, under the Ministry of Internal Affairs, has received 11 motorbikes provided by the Ministry of Climate Change to support the work of area administrators in the provinces.

These 11 Quad Bike are for this 11 AC: Central Pentecost 1 AC, Southeast Ambrym AC, Northeast Malekula AC, South Santo AC, Paama AC, Southwest Tanna AC, South Pentecost AC, Emae AC, North Ambrym AC, Nguna/Pele AC and Central Tanna AC

The Minister of Climate Change, Hon. Ralph Regenvanu, stated that these motorbikes will provide significant assistance to communities during disasters.

Additionally, they will support projects under the Vanuatu Community-based Climate Resilience Project (VCCRP), which is currently being implemented in various communities across the country.

Hon. Andrew Napuat, Minister of Internal Affairs, expressed his appreciation for the support from MCC and other sponsors who have contributed to providing these motorbikes, ensuring that government services reach communities through area administrators in different area councils across the provinces.

Hon. Napuat emphasized that delivering government services to communities is not solely the responsibility of the Ministry of Internal Affairs but requires cooperation, collaboration, and support from all government agencies to ensure that services reach the community level.

Thank you for trusting MOIA with your participation. We're committed to providing you with the update information
